BDK-GLASS: The Art of Original Czech Glass

Welcome to BDK-GLASS, a family-owned company founded in 1991 in the former Czechoslovakia, which has been producing decorative and functional glass products for over 30 years. We take pride in our unique role in the industry, utilizing innovative fusing technology that builds on the rich heritage of research from the State Research Institute of Glass in Hradec Králové. We combine traditional Central European craftsmanship with modern design to create exceptional pieces that blend quality, creativity, and sustainability.

Our Offer

We offer a wide range of handcrafted products with original designs, suitable for various applications, including custom manufacturing:

- **Glass Gastro Items:** Elegant serveware for professional and home use.
- **Glass Decorations:** Stunning pieces to enhance any space.
- **Interior Glass Solutions:** Custom elements for homes and offices.
- **Promotional Glass:** Branded items for marketing and events.
- **Glass Trophies:** Award-winning designs for recognition.
- **Glass Lighting Fixtures:** Components for large lighting installations. Custom manufacturing for companies specializing in lighting technology.
- **Glass Gifts:** Thoughtful, handcrafted presents for every occasion.

Our Philosophy and Sustainability

We believe that exceptional design should be accessible to all. Our flexible production handles both large-scale orders and unique pieces without compromising quality. We operate a zero-waste, environmentally friendly process that protects the planet just as our products beautifully enhance life.

Why Choose Us?

What sets us apart is the human touch – every item reflects true handmade craftsmanship, original design, and endless variability. We specialize in bringing your visions to life with quick responses to custom requests. Our works are appreciated by clients across Europe and North America, including interior designers, catering companies, and private collectors. Discover the magic of Czech glass, where tradition meets innovation. Let this catalog inspire you and contact us for your next project.

Glass Plates from Our Workshop: Where Function Meets Art

Our glass plates, crafted using the unique fusing technology, represent a perfect blend of elegance, durability, and originality. Each plate is shaped and finished with a 50:50 ratio of handcraft to machine work, ensuring that every piece becomes not just a practical aid, but also a decorative element of your table.

Why Choose Our Glass Plates?

- **Handcrafted Quality:** Each plate is the result of meticulous craftsmanship, giving every piece a unique character.
- **Durability and Quality:** The fusing technology ensures that our plates are not only beautiful but also durable and suitable for everyday use.
- **Design for Every Occasion:** We offer a wide range of shapes, sizes, and colors, so you can choose plates that perfectly complement your table and serving style.
- **Dishwasher Safe:** Our plates are designed to withstand the rigors of daily use and can be safely cleaned in the dishwasher, making them convenient for any setting.
- **Versatile Use:** Suitable for use in convection ovens, our plates are perfect for both serving and cooking, adding to their versatility in professional kitchens.

Use in HORECA:

Our glass plates are ideal for use in hotels, restaurants, and catering services. Thanks to their durability and elegant appearance, they add the perfect presentation to every dish. Whether you are serving breakfast, lunch, or an evening menu, our plates ensure that every meal looks like a work of art.

Choose from our collection and let yourself be enchanted by the beauty and functionality of glass plates that turn every dining experience into an unforgettable moment.
