BDK-GLASS: The Art of Original Czech Glass

Welcome to BDK-GLASS, a family-owned company founded in 1991 in the former Czechoslovakia, which has been producing decorative and functional glass products for over 30 years. We take pride in our unique role in the industry, utilizing innovative fusing technology that builds on the rich heritage of research from the State Research Institute of Glass in Hradec Králové. We combine traditional Central European craftsmanship with modern design to create exceptional pieces that blend quality, creativity, and sustainability.

Our Offer

We offer a wide range of handcrafted products with original designs, suitable for various applications, including custom manufacturing:

- **Glass Gastro Items:** Elegant serveware for professional and home use.
- **Glass Decorations:** Stunning pieces to enhance any space.
- **Interior Glass Solutions:** Custom elements for homes and offices.
- **Promotional Glass:** Branded items for marketing and events.
- **Glass Trophies:** Award-winning designs for recognition.
- **Glass Lighting Fixtures:** Components for large lighting installations. Custom manufacturing for companies specializing in lighting technology.
- **Glass Gifts:** Thoughtful, handcrafted presents for every occasion.

Our Philosophy and Sustainability

We believe that exceptional design should be accessible to all. Our flexible production handles both large-scale orders and unique pieces without compromising quality. We operate a zero-waste, environmentally friendly process that protects the planet just as our products beautifully enhance life.

Why Choose Us?

What sets us apart is the human touch – every item reflects true handmade craftsmanship, original design, and endless variability. We specialize in bringing your visions to life with quick responses to custom requests. Our works are appreciated by clients across Europe and North America, including interior designers, catering companies, and private collectors. Discover the magic of Czech glass, where tradition meets innovation. Let this catalog inspire you and contact us for your next project.

Glass Trays from Our Workshop: Where Function Meets Art

Our glass trays, created using unique fusing technology, combine elegance, durability, and originality in every piece. Carefully shaped and finished through a balanced combination of handcraft and machine processing, they serve not only as practical items for everyday use, but also as distinctive decorative elements for modern table settings.

Why Choose Our Glass Trays?

- **Handcrafted Character:** Each tray is made with meticulous attention to detail, giving every piece its own authentic and original character.
- **Durable and Practical:** Thanks to advanced fusing technology, our trays are both visually appealing and durable enough for everyday use in professional and home environments.
- **Wide Design Variety:** We offer a broad selection of shapes, sizes, and colors, making it easy to find trays that suit your serving style and complement any table presentation.
- **Suitable for Food Contact:** Our products are suitable for contact with food and are supported by a Certificate of Conformity.
- **Easy to Maintain:** The trays are dishwasher safe, ensuring convenient and practical use on a daily basis.
- **Versatile Application:** Ideal for serving appetizers, desserts, pastries, finger food, or buffet selections, our trays are designed for both home dining and professional gastronomy.

Perfect for HORECA:

Our glass trays are an excellent choice for hotels, restaurants, cafés, and catering services. Their elegant appearance, durability, and original design enhance food presentation and help create a memorable dining experience for every guest.

Discover our collection and experience the beauty and functionality of glass trays that bring style, quality, and originality to every occasion.
